ABOUT ME

Passionate and seasoned Frontend Developer with 5 years of experience specializing in creating dynamic and visually appealing web applications. Proficient in HTML5, CSS3, and JavaScript, with expertise in frameworks such as React.js, Next.js and Vue.js. Proven track record of delivering high-impact projects by collaborating with cross-functional teams and clients. Possess strong problem-solving skills, attention to detail. Committed to continuous learning and contributing to open-source projects. Excited to leverage my technical skills and collaborative mindset to contribute to innovative web development projects.
